drill team, 71-72

## A New Look Gave Cabriettes Fresh Life

*Front row, from left to right: Kathy Barowski (captain), Donelle Martin (major), Sabrina Cox (captain). Second row: Kathryn Johnson, Elizabeth Wilson, Debbie Wilson, Debbie Thomas, Susan Griffin, Shirley Dorfman, Debbie Green, Gina Jennings. Third row: Cindy Carmen,*

*Cindy Walters, Willie Douglas, Kathy Lodle, Ann Schickram, Pattie Harrell, Diane Lee, Margaret Monday, Janet Rodriguez, Celeste Blanc. Fourth row: Tina Hallenbeck, Tyra Harris, Sandy Hobbs, Ann Bassford, Karen Duggan, Debbie Moreton, Debbie Whitmore, Sophia Santiago, Lori Slagle.*

Sharp mod-style uniforms gave the Cabriettes an air of distinction on the campus.

Donelle Martin headed the 1972 Drill Team as major with Miss Pat Grisct as the team sponsor.

The Team performed at pep assemblies, football and basketball halftimes with many original routines. They also accompanied the Marching Conquistadores to all of their parades.

The Cabriettes were able to send several girls to a drill team camp in Santa Barbara in order to learn new techniques. And the new techniques showed through in their colorful routines.

As an active group the team promoted spirit through all of the projects they participated in.

majorettes

## Batons Twirled, Girls Sparkled

There were two returning members to the 1972 Majorette Squad, which aided them in achieving distinction. Debbie Aldrich led the team as captain. Due to her efforts, the squad performed with sharpness and flash. By practicing daily, the squad's diligent work showed up in their fantastic performances at pep assemblies, halftimes and at parades.

Added attractions this year were the newly acquired uniforms. Carol Green, a senior, was the solo majorette for the squad for her second year.

*Front row: Sally Shaefer, left, and Kathi Andrews.

Cabrillo majorettes.*

## flag twirlers

# Added Attraction To The Band's Excitement

The Cabrillo Flag Twirlers Squad participated in all football games and parades that the band attended this year. Under Captain Merri Derrington, the members, Pat LaRiva, Gail Dobbs, Melody Humbert, Pam Buddin, Patsy Lopez, Kathy O'Donald, and Bev Cosby added to the band's total excitement.

# Invigorating Chants Excited All Present

Captain Nancy Thompson directed her squad to the fullest capacity yet. With invigorating yells and chants, the excitement at games and pep rallies was unbelievable. Much spirit was made possible by Paula Woodruff, Chellé Hallenbeck, Debbie Finley, Vanessa Hobbs, and Jeanette Cruikshanks. Alternates were Debbie Dillon and Terri Peterson.

*Opposite page, top:* They all had a different beginning for the cheer at this basketball game. *Bottom left:* Chellé Hallenbeck and her partner added their highly spirited endings. *Bottom right:* Songleaders and cheerleaders take time out at lunch to discuss new ideas to promote spirit with their sponsors. *Right page, top:* The Varsity cheerleading squad shows mixed emotions over the pep assembly. *Bottom:* The 1971-1972 Cheerleading Squad; *left to right* Paula Woodruff, Debbie Finley, Vanessa Hobbs, Nancy Thompson, Chellé Hallenbeck, and Jeanette Cruikshanks.

## songleaders

# Songleaders Spirit Enticed All

The 1971-72 Songleaders performed excellently to entice all present at pep rallies, football, basketball, wrestling and water polo games. Leslee Lewis led her squad; Pam Blackwell, Dale Goodwin, Linda Daniels, Cindy Bubba, and Debbie Patton with leadership and poise. After acquiring new uniforms, their appearance was an added attraction to their various routines.

j. v. cheerleaders

## J. V.'s Challenged Varsity for #1 Effort

Junior Varsity Cheerleaders have worked diligently fostering spirit throughout Cabrillo. Under Captain Terry Davis, the squad has held bake sales and car washes to earn money for their new uniforms.

Performing at all J.V. games, the cheerleaders supported the teams to their fullest extent; maybe that's why the J.V. teams won many games. Besides cheering at games, they painted signs and worked side-by-side with Varsity cheerleaders to help them with their many tasks.

*Top left:* Terry Davis, Malia McDaniel, and Leesa Taylor are shown ending their victory cheer. *Right:* Linda Peterson looks on during an assembly.

freshman cheerleaders

## Frosh Wins Kept Cheerleaders Active

Patti Facer (Captain) and Sharon Erdmann shared equally in the excitement of being a cheerleader their first year at Cabrillo. Their capability was clearly demonstrated the day after being announced for they had to cheer at a football assembly the next day.

Bake sales and a car wash brought in enough money to send the girls to a spring cheerleading camp; thus marking the end of a fun-filled freshman year.

*Top left:* The freshman cheerleading squad, consisting of Sharon Erdman, and Patty Facer as Captain. *Top right:* Freshman enthusiasm promotes spirit through cheers during the assembly. *Bottom:* A typical all-together assembly.

# Gold Medal Band Marched For The Glory Of Their School

The Marching Band is an extra-curricular extension of the band program. The group is a totally voluntary organization, meeting after school each day for the entire year, receiving no grade for academic credit. The Marching Conquistadores this year upheld their past record of excellence in marching competition, by performing and placing in seven selected parades throughout the state of California. In seven parades the band added 14 trophies to their already full trophy case. A new group on campus this year was the Cabrillo "Heralds," so called because they carry the official Heraldic Flags of Juan Cabrillo in front of the Marching Band. This group of 11 girls under the leadership of Captain Joan Woelke, developed into a thrilling small precision team. Their interesting Court Page uniforms and large flags have made them a welcomed addition to all the Marching Band's activities. In addition, the girls performed at basketball games as a halftime entertainment, and hope to accumulate enough credits to participate in the State Auxiliary Unit Competition in the Spring.

# Cafeteria Was Breath-takingly Decorated With Reynolds Wrap And Stretch-And-Seal

"Roaring Twenties," theme of the 1971 Homecoming event, was carried out in many ways. The dance Decoration Committee turned Cabrillo's cafeteria into the 1920 era of excitement and glamour.

Our Varsity football team did their part by roaring past the Righetti Warriors with a score of 21-0.

Though the weather at the game was cold enough for raccoon coats, all of the spectators were warmed at halftime when the Homecoming Queen Candidates and Attendants paraded around the field, accompanied by the Cabrillo Marching Band and Drill Team.

The Attendants, freshman Becky DaPar, sophomore Malia McDaniel and junior Chelle Hallenbeck were first to be introduced. Then the Queen Candidates; Brenda Beaver, Linda Daniels, Leslee Lewis, Katie Scott, and Paula Woodruff were escorted across the football field. A hush fell over the stadium and anticipation was at its highest, as it must have been when the people of the United States were awaiting the outcome of the end of prohibition. And then came the announcement, "Our 1971 Homecoming Queen is Miss Paula Woodruff."

sadie hawkins

## It Was The Best Event Of 1972

Highlighting Sadie Hawkins Week was the skit performed by the Heidmous brothers. Yell leaders, Danny Kleinman (Captain), Dennis Hall, Dave Galvin, Dan Gillespie, Bill Daniels, and Mark Densmore enticed all present with their original cheers. Pie eaters Quisenberry and Comstock emerged victorious for the juniors. The battle between the Juniors and Seniors erupted a 0-0 score during the powder puff football game. The success of the dance depended mainly on the music of the band. FFA Sweetheart was Rachel Eum. The 1972 Sadie Hawkins week, under the organization of Juniors turned out to be one of the gayest events of the year.

1971-1972 play season

## Androcles Highlights '72'

"The Desk Set," under the direction of Wyatt Haupt was the marking point of the 1971-72 Drama Season.

"The Desk Set" was based on the office scene, with the many hilariously funny incidents and occurrences which take place. It ranged from a computer named 'Emmaracs' to the romances and social gossips and controversies between the employees.

"Androcles and the Lion," was their second production. This play was set in and around ancient Rome. It dealt with the worth of human life and a conflict between the rights of the people to Christianity and the limits of the government to dictate state beliefs to the people.

For the last of the 1972 drama productions was three one-act plays.

pep assemblies

# Outdoor Assemblies Were New To Students

Outside assemblies added a new dimension to pep rallies. There was a more relaxed and informal atmosphere present.

With the aid of spirit groups, the students at Cabrillo led the teams on to many victories. In addition, Commissioner of Assemblies, Nick LaSorsa, delighted each person attending the assembly with his exceptional ability to promote spirit.

Superb routines performed by songleaders, cheerleaders, majorettes, drill team and flag twirlers, captivated teachers and students alike. Each routine took endless hours of practice and preparation.

Spirit displayed this year was distinctive considering the adverse conditions.

*Top:* Lompoc Brave, Shar Morson, quietly awaited for the opportunity to sneak up on Commissioner of assemblies, Nick LaSorsa. events of the year

# Memories Were Imprinted On Students' Minds

As in life, the events of the year have come and gone. They have left an ever memorable imprint on the minds of all who have attended Cabrillo. With the flooding of the gym, Cabrillo students enjoyed new experiences with outside assemblies. Paula Woodruff was crowned Cabrillo's fifth Homecoming Queen. Dennis Hall and Danny Kleinman portrayed Santa and his one reindeer during Christmas vacation. Sadie Hawkins was a success during the week's entire activities. With the end of the year here, many students will be leaving Cabrillo with memories of the year 1971-72. For most, these memories are a part of their life never to be forgotten.

# Large Government Hampered Officers

Hampered by a government that was too large for its own good, the A.S.B. officers had to struggle through the year. The Homeroom Federation, for instance, turned out to be more of a burden than it was a help. There was disorganization on many levels due to the unorthodox approach to student government taken by Dave Bolt and Siegfried Herrmann.

Despite all this, there was much accomplished in the way of more funds appropriated to clubs, and most evident, a better understanding between students and officers. All things considered, the officers accomplished most of what they set out to do, which is a good record in any form of government.

*Top:* The friendliness of this year's student government is displayed in this sign by the A.S.B. Office. Secretary). *Front:* Bill Daniels (Commissioner of Activities) and Nick LaSorsa (Commissioner of Assemblies).

# Groups Proved Their Innovative Talents

Starting in April, during the staff's Freshman year, the Seventy Four Magazine was formed to put the spotlight on the "little people" of Cabrillo who had much to contribute to the school. Because it was the first of its type, students took to it rather reluctantly, but it soon caught on. Seventy Four Magazine brilliantly covered an in-depth study of Cabrillo in an informative, academic, and sometimes satirical manner.

The Supreme Court worked as the judicial branch of Cabrillo's Student government. Among the more important cases covered this year was the definition of an A.S.B. member. This led them to plan a complete reorganization of the A.S.B. system, certainly a complicated job to tackle. They were also called upon to decide the line of succession for class presidents when the Sophomore class president moved.

# Future Farmers Were Constantly Learning

FFA has always been the most active club on campus, and this year was no exception. Regularly throughout the year, FFA picked up trash across the street from Cabrillo. They plowed and planted oats in the field behind the school and in a field beside the La Purisima Mission.

Continuing their work from last year, they landscaped the lot surrounding the Security First National Bank in the Village. A few of their many service projects included collecting food for Thanksgiving and Christmas baskets, and collecting children's clothing for Vietnam war orphans.

During Sadie Hawkins week, FFA ran numerous contests. Among them were the pie-eating and pie-baking contests, and of course, the one most enjoyed by the entire student body, the Girls Greased Pig Contest.

In Mid-November they participated in the Co-op Quiz Contest. Susie Fitch was named finalist. Many members also entered the Best Informed chapter contest.

This year, as every year, the biggest project was the breeding and grooming of steers, sheep, and pigs for the Santa Barbara County Fair in Santa Maria. The animals were entered for judging in various categories.

wind ensemble

# Baroque Music Was Played At First Concert

The Wind Ensemble is made up of fifty musicians chosen from the Concert Band. They play mainly formal and classical music. The group is composed of students who are planning to continue with music study after high school; for

many, music will be their career.

Baroque music was played at the Wind Ensemble's first public concert in mid-November. Later in the year they planned to attend the Los Angeles Regional Festival. They can attend this only if they receive a rating of Superior at the district festival.

triple "s"

## Students Supported Students And Schools

Triple "S" was organized to build a school for the Peace Corps. "Colegio de Lima," completed in October, is the first Secondary School ever built in Lima, Paraguay.

Next, the club turned to another major project — supporting three students through the Save the Children Federation. The students are Gilson Nosie, Bethseba Siwingwa and Leny Roden.

Gilson Nosie lives on the San Carlos Apache Indian Reservation. His special interest is gardening.

Bethseba Siwingwa and Leny Roden both attend the Bwiru Girls' Secondary School in Tanzania, East Africa. Bethseba lists singing and athletics as her favorite pastimes. Leny serves the school as Prefect and Class Librarian. She likes singing, netball and needlework.

art club and csf

# Artists And Scholars Strove For Excellence

A long established club on campus was the Art Club. This year, the club was less strictly organized than ever before. The members of the club met in the art room during lunch on Thursdays, and in the manner of true artists, "everyone just did what they wanted to do" as related by Cheri Washburne, club president.

A member of the "Coalition for a New Tomorrow" was one of the many guest speakers that was on campus to speak to the California Scholastic Federation. Along with learning about tomorrow, the club was concerned about the present, as they donated money to the Pakistani Relief Fund.

fore and aft staff

## Staff Worked Extra Hard To Overcome Difficulties

If you ever read the blackboards in the newspaper room, you would probably conclude two things: 1) That deadlines were never met, and 2) That "Glances" seemed to be the most important part of the paper. Even though this year's staff held the highest record ever for missing their printing deadlines, they never failed to present the students with the finished paper on time.

Editor Pam Blackwell pulled the paper through minor and major catastrophes, including the time that the Lompoc Record burned down with the Fore & Aft copy inside. Her staff supported her by working time and time again at late-night working sessions.

## fna and fha

# Associations For The Future Helped All Involved

Established in 1966, the Future Nurses of America Club carried on in its active tradition. The club went on three field trips: to Camarillo State Hospital, Fairview State Hospital, and to observe the Special Education Classes for the Deaf in Lompoc. A dental hygienist and the director of the School of Nursing at San Jose were among the club's guest speakers. The members of the FNA put all their knowledge and compassion to use when they held a Christmas party for the old folks at the Lompoc Hospital.

Cookbook and bake sales were some of the money-making activities of the Future Homemakers of America Club. In February they traveled to San Simeon to visit Hearst Castle.

## Clubs Combined Competition With Personal Gain

Climbing to the top of the Los Padres League in late November, the Cabrillo Speech Team again held up to the high standards of previous years.

Encouraged, persuaded, cajoled, and sometimes even threatened by coach Steve Ward, the members tried hard not to let him and themselves down. Veteran members of the team were surprised and pleased by new, powerful members like Pam Erbe, who was awarded first place in Oratorical Interpretation at the first tournament she ever attended.

The Chess Team traveled to many different schools for competition, and in true Cabrillo spirit had reached the number one spot in their league by mid-January. Their dedication to the game was proven by the mere fact that they attended these meets, as some would start after school and end as late as eight p.m.

Mrs. Meidell's Multi-media class comprised the Image

folksingers

## Groups Performed And Were Performed For

Santa Maria and Lompoc DAR members were among those entertained by the Cabrillo Folksingers. Students at Loma Vista Elementary School were delighted by their performance.

Along with the other choir and band groups on campus, the folksingers took part in the annual Christmas and Spring concerts at Cabrillo. Also at Christmas, they performed at the Officers Club Party at Vandenberg Air Force Base.

Finally, the club itself switched roles to become part of the audience. In May, the group went to a concert in San Francisco to hear either Cat Stevens, Donovan, or Neil Young.

concert band

# Band Made A Tour Of Elementary Schools

Members of the Cabrillo Concert Band were enthusiastically received by the younger students of the area as the band made the rounds of the local elementary schools. Cabrillo students and the general public had their chance to enjoy the band's music later in the year. Along with the other Cabrillo bands, the presented a Sunday afternoon of Baroque music, and later, a Pops Concert.

## Old And New Clubs Active Throughout Year

This year, the Quill and Scroll Society was more active than any other preceding year. Along with the exciting San Francisco Convention, the club went to Disneyland as a special treat. The underclassmen hoped the following years will be as adventuresome.

A new club on campus, the Future Veterinarians of America participated in the rabies clinic for cats as their first activity. Later, in March, they traveled to San Luis Obispo to attend the Cal Poly Animal Study Clinic.

# Clubs Had Large Or Small, Many Or Few Projects

The Printing Club's project was to print "The Image," Cabrillo's Literary Magazine. The Image Staff gave them the information in February in the form of a model booklet. Each member was responsible for completing four pages. The printing was finished in late March.

New members were added to the Keyette Club this year after surviving an embarrassing initiation. Included in this was wearing the same clothes (and white bobby sox) all week, and wearing a Halloween mask all day on the Monday of that week.

They started off the year with the money-making project of selling American Flag Decals. At Christmas, members cooked, baked and sold fruitcakes, fudge, peanut brittle and cookies to the general public. Near the end of January, the Keyettes banded together with other service organizations to collect donations for the March of Dimes.

February seemed to be their busiest month. On the 16th the club held an old-fashioned box-lunch social for members of the Lompoc Kiwanis Club and their wives. Soon after that was a fierce basketball game with the Keyette Club from the #1 rivals themselves. Finally, they got to relax at a beach party with the Cabrillo Key Club.

## Quartet Visited Band

Early in the year, the Cabrillo Stage Band was visited by the internationally famous J.P.J. Quartet. In March, the band went to their first Stage Band Competition.

Along with the other Cabrillo bands, they entertained the school and public by performing at the many and varied Band Concerts held during the year.

### cabrillo key club

## Officers Managed To Make Off With District Bell

The Cabrillo Key Club started off the year with the largest membership ever. Members were found the first week of school with lost freshmen crying on their shoulders as they volunteered to direct them to classes.

At the Tri-County Marlin Swim Meet they served as timers and officials. Club officers attended the Cali-Nev-Ha workshop in December, and managed to make off with the governor's

district bell (pictured below). At Christmas time the members tested their endurance by helping the Salvation Army ring their bells by their pots on six hour shifts.

After three grueling practice sessions, Cabrillo beat the Lompoc Key Club in a football game, 15-7. Later in the year they drove for muscular dystrophy and collected over \$250.00 in donations from Vandenberg Village.

# Different Clubs Attracted Girls, Boys

All throughout the year, the Cabrillo Cadette Stenos made and sold colorful pencil boxes and desk organizers. The funds from this money-making venture were used to pay for the Secretary's Luncheon they attended on March 11, held at the Santa Maria Elks Lodge. Four guest speakers were at this affair.

The Chess Club was made up of chess enthusiasts who would gather together from time to time at lunch to pick up a hot game of chess.

## New Clubs Proved To Be Successful

The Frosh Choir started off the year by making new outfits. In December, both the Girls Glee and Frosh Choir participated in a singing show at the Christmas party at the Officers'

Club on base. Along with the other singing groups on campus, they attended competition at Los Angeles in May. Even though both were fairly new clubs, they proved to be successful.

## Larger Clubs Provided Larger Benefits

If you belonged to a group as large as the Concert Choir, you could expect some benefits. And if you belonged to the Concert Choir this year, you wouldn't be let down. In what other group could you expect to have "Happy Birthday" sung to you in four-part-harmony by fifty people? In what other group could you watch Lauren McKee dance before you for half an hour while she served as student director?

Both the Concert Choir and the Madrigals performed at the Christmas party at the Officers Club, and both ended the year by attending competition in Los Angeles.

## Clubs Traveled Afar

Hiking over large areas of the Sequoia National Park in November was a weekend activity of the Hiking Club. Other hikes were made in Cedar Grove, and around the Davey Brown Campground at Figueroa Mountain. Previously always handled by the Science teachers, the Chemistry team was awarded the honor of presenting the annual pre-Christmas-Vacation Gee-Whiz Show. Cries of Oo's and Ah's were heard from the audience as they were startled by "magic" which almost always worked out right, including a visit from the ghosts of Christmas Past, Present, and Future. (Gee Whiz!)

Later in the year, the club toured the Chemistry department and Radiation Lab at Berkeley College.

## french club and girls gymnastics team

# Food And Form Interested Students

At Christmas, the French Club had a special luncheon of Chocolate Fondue and French Onion Soup. Luncheons seemed to be the club's favorite activity, as they had another one in March. On the menu of this one was included snails and chicken-and-white-wine.

The club also went to two shows: a French comedy in Santa Barbara, and "The Fantastics," a play presented at Allan Hancock College. Throughout the year, members raised money to help pay for a full length feature film they showed to all the French students at Cabrillo.

Practice and more practice was the motto of the girls' gymnastics team. Practice was for three hours Monday through Thursday, in preparation for the five meets they attended throughout the year. One of these meets was held at Cabrillo.

Many members of the team went to a grueling gymnastics clinic in Sacramento. It was held on December 26-30 which was sponsored by Berkeley's gymnastics team.

# Racing And Researching Inspired Clubs

Racing slaloms was the main activity of the Auto Club this year. Their club car was a '64 Corvair which they all helped to fix up.

The Science Club performed a community service when they made plant identification signs for the Kenneth Adams Park in Lompoc. On December 10th, Randy Strawn and Bob Russ attended the 11th annual Junior Science and Humanities Symposium in Los Angeles.

# Exhaustion And Exhilaration Were All A Part Of The Act

There are never two yearbook staffs that are the same. Each had its own unique people and problems. But the end result was always the same, a book that no one throws away. A book that becomes more of a treasure as the years since high school increase.

In order to develop a yearbook, the staff must be composed of hard-working people. People that work for an entire school year for a student body that never truly realize what's involved in the making of a yearbook.

People like Seniors Gloria Gustitus and Sharlene Morson who have been on Cabrillo's yearbook staff since they were Sophomores for the self-satisfaction of doing something lasting and worthwhile.

The rookies on the '72 staff that had plenty to learn and many after-thoughts about joining the staff were the most energetic. No one could compare with the antics of Anna Conley, Kathy Radabaugh and Pam Kluge. And who could ever reach the level of composure that Kathi Andrews had?

Kay Stum kept the staff's equipment organized, and David McCarter gave the staff headaches because of lack of photos.

And, always, the reliable members of the staff like Carol Moore, Jane Waage and Sue Robbins kept everything toned down.

This was the staff that selected all the pictures that appear in this book. These were the people that wrote all of the copy, captions, and headlines. These were the people, the 1972 Tierra Royal Staff.

## varsity non-league games

# Pre-season Home Games Proved Successful

This year's Varsity Football Team was a big question mark at the beginning of the season. After losing the majority of experienced players through graduation last year, Coach Jones had to build a new team during the spring and summer.

The season started out with a tough non-league schedule. After losing their first game it seemed that all the doomsday predictions were coming true. But the Conquistadores came back to rip up Alemany. Disappointment was on Cabrillo's doorstep once again when they traveled to San Marcos only to be clipped by them. Back on their home field, Cabrillo once again dominated the field of play against Sylmar. Ending non-league play with a 2-2 record paved the way for surprising league action.

The first opponent in official league play was San Luis Obispo. Cabrillo came on to the field to eat them up and that's just what they did. After having their first taste of league victory Cabrillo was matched up with the highly-rated Righetti Warriors. Not to be scared off by Righetti's well publicized strength, Cabrillo went out at eight o'clock, Friday night, and totally demolished them.

Half way through the season Cabrillo met up with the stubborn Santa Maria Saints. The only thing Cabrillo could get out of Santa Maria was a tie. But the next week Cabrillo managed to tear up the Arroyo Grande Eagles.

The biggest disappointment came at the last game of the season. With the Northern County League Championship and revenge on last year's loss to Lompoc at stake, the game was supported on a pyramid of tension. As the final seconds of the game ticked away the second loss to Lompoc was all too evident.

A couple weeks after the season ended All-Leaguers were announced. Three seniors, JC Holt, Cecil Gordon, and Dana Brenner and two Juniors, Allison Driesbach and Ken Wahl, were chosen to be on the first team of the All-Leaguers.

The JV Football Team had a disappointing season. The 1971 season concluded with a 2-4-1 record. Lack of strength and experience played a major factor in the final outcome. Now that they have the experience, they hope for a triumphal season next year.

Freshman football was as exciting as it has ever been. Going undefeated was one of the factors that made it so. Their offense racked up a total of 292 points, while their defense only let 78 points slip by them. These facts only tell part of the story of why the freshman football team went undefeated.

The whole team showed great future potential although there were a few stand-outs, such as, runningbacks Tim Davis and Terry Charles.

varsity swimmers sought second title

## Records Were Set In Opening Relays

It was well known at the beginning of the season that the swimming team was going to excel this year. With nearly three-fourth's of 1971's team returning, there was no doubt that records were going to be broken.

The first record broken was at the Buena Relays. The team of Don Reeser, Walter Heidmous, Gary Anderson and Randy Nogle set a new meet, school and league record of 1:46.1 in the 200 yard medley relay. As if that wasn't fast enough, four days later they surpassed that time with 1:44.2 in the CIF relays which placed Cabrillo third in all of Southern California.

With excitement like this before the league even started, placing first in the league for the second year in a row was possible.

1972 "b" and "c" swim and diving teams

## Future Looked Good For Both Teams

The "B" and "C" Weight Swimming Teams are determined by their height, weight and age. This is set up so a larger person doesn't have to compete with a smaller person on the same level.

The reason a lot of the boys went out for swimming, as said by Coach Boyer, was that it can improve their water polo ability by 300%. So not only were they preparing for a powerhouse swimming team, but also for a first-rate water polo team.

Last year's, 1971, flying squad took first in the Santa Barbara County League. In the league finals they took three out of the six spots. Rob Holsombeck placed third, Brian Fraser placed fifth and Bill Lindsey took sixth. The 1972 Diving Team has three returning lettermen. They are Brian Fraser, Bill Lindsey and Chris Jones. Added to the team are Gary Dobbs and Tony Bubba.

# Title Went Down To League Finals

Coach Cliff Brookhart's wrestlers performed outstanding this year. Although their league record of 8-2 was just behind Lompoc's, Cabrillo's matmen got enough points during league finals to surpass the Lompoc squad for the Northern County League Championship.

Some of the matches during the year were easily won, but Cabrillo had their frustration when matched up with Lompoc. After the first upset with Lompoc, Cabrillo grapplers went back for revenge only to be demoralized once again.

Positions next year will contain new blood from the JV team.

# Wrestlers Faced Unyielding Competition

Six Varsity Wrestlers won slots to compete in the CIF semi-final round for wrestling. Of those six, four won positions for the final round. Only one time before this has Cabrillo had so many wrestlers reach the finals.

The six league champions were Benje Williams (98), Charles Vasquez (130), Mike McDowell (157), Brad Jones (165), Dan Gillespie (198) and Dana Brenner (hvywt.). Williams, McDowell, Gillespie and Brenner traveled to Arcadia for the CIF finals.

Dana Brenner captured fourth place in CIF finals, while Mike McDowell obtained fifth.

## Grapplers Upheld Their Winning Tradition

Ending the season with a 9-1 record, makes next year's varsity team look promising. Kris Andrews, Jerry Reyes and Dave Robertson went undefeated in all of their matches. The whole team placed second in the Morro Bay Novice Tournament.

The Frosh had a perfect season of 8-0. Obtaining a new coach, Mike Knoell, may have been one of the factors for the good record. The team placed first in both the Quartz Hill and San Luis Obispo Tournaments.

Again, the basketball team came through the season with a poor record compared to what had been predicted. The win against Lompoc was not only an end to an eight game losing streak, but it once again let them taste victory over the crosstown rivals. But, the league record figured out to be a disappointing 2-8.

The big man of the team, Mike Kluge, broke a school record for total lifetime points with 990. Coach Don McIntyre's resignation was the surprise of the season.

Reasons of furthering his education and a prospective professional trainer's job were given.

The season was not a total bomb, as Mike Kluge made All League; a first for Cabrillo.

The JV Basketball Team ended with an 8-2 record. Well stocked with juniors, the team seemed to have the experience they needed to win. This experience will assist them when they move on to Varsity.

The Frosh Athletes showed great promise for the future. Their record of 8-4 wasn't the best ever, but their potential is great if channeled in the right direction in later years.

Another successful Water Polo year has been bestowed on Coach Bob Boyer. Blessed with gifted material, Coach Boyer molded another winning team with four returning lettermen.

This was their second league championship and by far the best team in our history. Boyers Barnacles scored an amazing 190 points during the season, while the defense only let a total of 46 goals slip by them.

On the whole, the entire team did a superior job, but this was to be expected since six men made all-leaguers. The all-around player was Walter Heidmous, who could play any position and play it well. The point-getters were Gary Anderson and Randy Nogle, and on defense were Jeff Heidmous and Randy Phillips.

## W. Heidmous Did It Again

Cabrillo has had more Water Polo All-Leaguers named this year than any preceding year.

Along with the three seniors, three juniors were also honored with this title. The biggest asset of the 1971 Water Polo Team was the balance of talent.

The big sparkplug of the team was All American Goalie Walter Heidmous. Along with being named an All-Leaguer for the second year in a row, he was chosen as All-CIF this year.

In Walt's junior year, he was picked for the seventh team of the Ten All American High School Water Polo Teams. Changing him to a tougher position as goalie this year got him on the All American's fifth team.

Junior Gary Anderson was given an honorable mention on the All American Team.

*Top: Senior All Leaguers: Front: Randy Phillips. Middle: Randy Nogle. Back: Walter Heidmous. Bottom: Junior All Leaguers: From left to right: Gary Anderson, Jeff Heidmous, Don Reeser.*

More games, this year, gave the J.V. team a better opportunity to gain the important experience needed before proceeding next year to the Varsity team. Almost breaking even, a 5-7 season made next year's outlook brighter for the young team.

Freshman Water Polo was as fascinating as ever. Ending with the identical record as J.V., Cabrillo's future in Water Polo looks secure for quite a few of the coming years.

## Sluggers Go For Title

Baseball started out with a bang this year. They zonked the Santa Barbara Dons with 6-0 score. Already players like Kevin Drake, Bucky Brockett, Ken Murphy, Matt Goodrich, and Mike Kluge were beginning to stand out. Last year's record of 15-7 was hoped to be better this year. Well manned with seniors the team had a chance to go all the way.

# Harriers Ran Their Hearts Out

Ending the year with a 4-3 season was satisfying. Having only two seniors, Bill Hobart and Starin Young, the team's strength laid in the underclassmen's hands.

This year the team participated in three invitionals: Dos Pueblos', Hancock's and Mt. Sac's. With one more year of experience under their belts, the team hopes to be a true contender for the title next year.

# Lack Of Seniors Meant Lack Of Experience

With an exceptional turnout of 37 participants, the girls track team did better than ever. ## New League Meant More Competition

Forty-eight girls went out for this year's Swim Team. That many girls provided a great versatility in all events. Along with having a new coach, Miss Wolf, they were in a new league. With much practice and such good coaching, the team did well against their competitors.

# Hackers Swung Into Action

This year looked good for the golf team at the beginning of the season. They started off winning their first three matches, with many of the golfers shooting in the 80's.

The team felt last year's record of 11-6 might be improved upon this season.

# Tennis Veterans Racked Up Opponents

Even with the birth of a new league, the 1971 Girls' Tennis Team extended their reign as "Champions" with an 8-2 record. The girls surpassed and sometimes embarrassed their opponents.

Going undefeated were doubles Kay Sauzek-Sarah Eum and Jody Culver-Betty Twine.

Coach Roderick Schmidt's powerful netmen posed a real threat at the beginning of the season. With some lettermen being on the team for three years, their experience on the courts is a valuable asset.

The season was planned to be a winning one for the team.

## track teams

# Team Aimed For League Championship

With Juniors making up the majority of the track team this year, it's almost certain next year's will be in strong contention for the league crown. The track team this year was led by Cecil Gordon in the 120 high hurdles and long jump, and Mike Drouin in the pole vault. Also contributing their talents were Lloyd Florow, the sprints, Doug Wardrip in the high jump, Victor Tise in the mile, Gary Manus in the two mile and Allison Driesback in the shot-put. Leroy Crosby was the track coach while Ed Knowles handled field events.

## A Year Filled With Competitive Learning

This year in sports has been one of many ups and downs. The desire to win was always there, but sometimes desire is not enough to carry you through to the top.

Learning could be classified as one of the most important words of the year. Learning how to grasp victory and how to take the humiliation of defeat.

This is the finale, the last of '72 sports — and there is naught but the hope of eternal competition.

administrators

# Administrators' Tasks Became More Complex

As time goes by, the administrators tasks become more complex. With mounting problems from students, a day's work is never finished. Top administrator is principal Robert Bickford, assisting him are Richard Greening, Don Hart and Robert Wiener. The recognition attributed to these outstanding people behind the scenes is little. Realizing the time and effort put forth by each one, maybe someday the relationship between the administrators and students will be one of harmony.

# They Kept Things Running

The backbone of Cabrillo are the people least noticed. Mrs. Larson manages all texts with ease. Miss Purma and Mrs. Brock organize and keep the Library in perfect condition. Mrs. Littlejohn cares for all the aches and pains of Cabrillo students. Mrs. Lindsey nourishes all who attend Cabrillo by the vitamin enriched food at the snack bar. The custodians keep all items on the campus running in tip top order.

## counselors

# They Carried Tight Schedule

The counseling department started off the year with freshman orientation.

An old program that has recently been activated was the student tutor program.

This has enabled the students to relate to others younger than themselves. Each counselor had an extremely tight schedule thus they were not able to fully accommodate each of their 400 students on much of a personal basis.

During the year, 15-20 college representatives visited the Cabrillo campus to assist the Juniors and Seniors in selecting their colleges. In addition to that, there were three military days and one ROTC day.

secretaries

# We'd Like To Know A Little Bit About You For Our Files

Cabrillo's secretarial staff kept all matters of importance running efficiently and smoothly. With the aid of Mrs. Etherson, student affairs seemed to come and go without the slightest bit of interference. Mrs. Gibbs and Mrs. Sparks ran the attendance office with only a minimum amount of confusion. The administrative secretaries kept an even pace with the administrators. Last but by no means least, the counseling department was maintained in ship-shape by the congenial smiles of the counseling secretaries.

# There Was A Time For Understanding

With returning teachers, the boys' and girls' athletic department has become experienced in the development of physical education. Under the direction of Don McIntyre and Carrie Larson, programs have increased in quality and quantity.

The music department began the contract system in a few classes. This worked very well and allowed for much more individual help to students. Department head Glen Newcomb has fostered much musical ability during the year. And he has increased extracurricular activities for many.

## art and social science departments

# Their Lives Were Their Teachings

The entire Art program at Cabrillo had been revamped. All courses were semester and specialized on specific areas. Acting as department head Mr. Fisher held the position for all of Cabrillo's existence. He was always

trying to develop new courses of study.

The Social Science department became more efficient in teaching. With the staff of 11, they were better equipped to fully acknowledge the needs of the students.

# Communication Was Essential

One of the most difficult things in which teachers have to get across is learning through communication. Sue Robbins contemplating the situation during the lunch break.

Sophomores Jack Savage and Richard Willis look worn out after a rigid day at school.

Cindy Lopez seen working in the concession stand at the Homecoming Game.

During the past months, the "class of '74" has accomplished much and has developed into a unit. Among some of the activities achieved were a class picnic, bake sales, car washes, Senior Tea, swimming party, dances, football, basketball and wrestling concession stands.

For the most part, the sophomore class worked to raise money for next year when they will be sponsoring the Homecoming Dance and the Junior-Senior Prom.

Besides the hardworking officers, various students helped make the year 71-72 a most enjoyable and profitable one for every member of the class of "74."

Pete Merfalen appeared to be intensely occupied with sketching of the Conquistadore head on the gym floor.

Darlene Hagans took time out of practice to smile.

editor's thoughts

## Few Cared About What Happened in 1971-72

"Apathy" is a term widely used in our society today. And never before has it applied so well to the overall attitude of Cabrillo students, faculty and administration alike.

Since 1968, when this year's graduates were freshmen, the classes have had fewer ideas and fewer accomplishments to be proud of. The 1972 graduates have left Cabrillo marred with graffiti on walls, lockers, patio tables and restrooms that showed the low standards Cabrillo students possessed.

Many of the events that have become tradition since Cabrillo's founding in 1965 were neglected or forgotten. Pep assemblies became a novelty along with spirit. Dances were eliminated after the football season ended. Seniors didn't get activities started until February.

It's no wonder that apathy was seen in the eyes of Cabrillo students. The class leaders became frustrated shortly after the year began. Our administrators were too busy with public relations to listen to the gripes and desires of the student body.

Although the majority of the students didn't care what happened, there were a few that did.

There were those that worked at establishing clubs and organizations, at keeping our student government together and those that planned and carried out the activities.

A few refused to become frustrated and discouraged. They are the ones that determine the time of man, that keep Cabrillo pushing ahead. To these people I dedicate the 1972 Tierra Royal along with all of the hard work, long hours, and headaches that went into making it.
